

JOB-SPECIFIC LEARNING JOURNEY
SENIOR MARKET PARTICIPANT
– BACK OFFICE

ENTRIMA

Learning journey: "Senior Market Participant – Back Office"

To master job-relevant technical knowledge, for seniors in a support function that have been employed by a Market Participant, the Learning Journey **"Senior Market Participant – Back Office"** provides an effective training solution.

- Total duration of this programme: **80** hours.

Series of learning journeys for "Market Participants"

ENTRIMA has developed and maintains a wide variety of learning journeys, some of which are topic-specific, while others are job-specific. In light of job-specific learning journeys, amongst others, there have been developed and are maintained nine (9) journeys for Market Participants. The expeditions reflect three functions (business, control, and support functions) and three upward levels (junior, medior, and senior – i.e. basic, intermediary, and advanced):

1. Learning Journey **"Junior Market Participant – Front Office"**
2. Learning Journey **"Medior Market Participant – Front Office"**
3. Learning Journey **"Senior Market Participant – Front Office"**
4. Learning Journey **"Junior Market Participant – Middle Office"**
5. Learning Journey **"Medior Market Participant – Middle Office"**
6. Learning Journey **"Senior Market Participant – Middle Office"**
7. Learning Journey **"Junior Market Participant – Back Office"**
8. Learning Journey **"Medior Market Participant – Back Office"**
9. Learning Journey **"Senior Market Participant – Back Office"**

This 1-year learning journey can be started any day throughout the year.

MARKET PARTICIPANTS

BACK OFFICE

Professionals in support functions have to assist the business. They handle framework agreements, operational processes, administrative processes and financials. They need to master the operations, while understanding the business, its commitments and its controls. Training should exceed processes. Mastering knowledge re the supply chain is key, as much as about markets, contracts, and valuation.
